

MAKING YOUR BUNTING

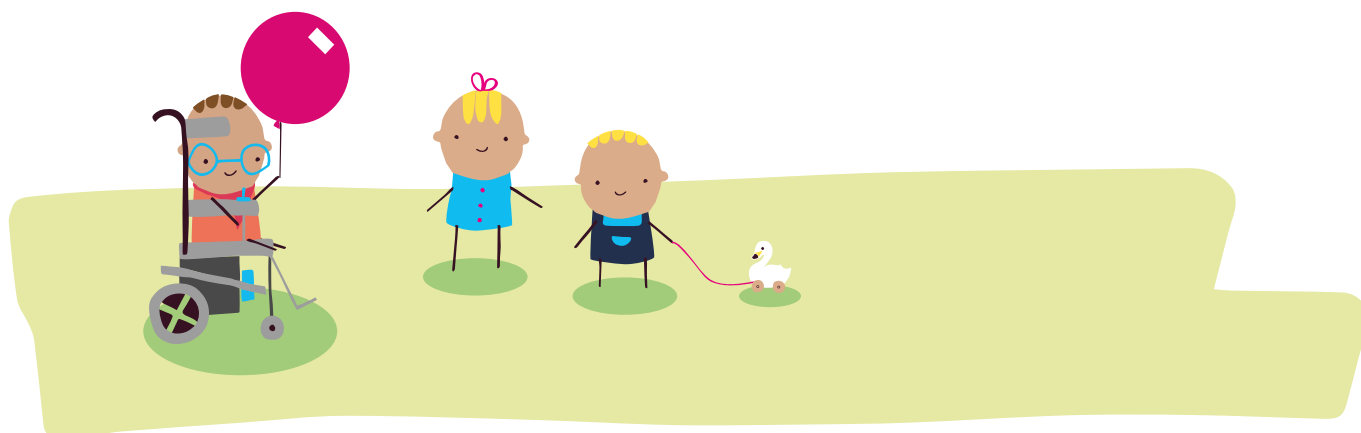

What you will need:

- scissors
- printer
- string
- glue or sticky tape

1. Print out the SWAN UK bunting on the opposite page.
2. With the scissors, cut out the triangles.
3. Use the scissors to cut a long piece of string and lay the string flat on the floor.
4. Get your cut out bunting shapes and use the glue or sticky tape to attach them to the string. Remember to leave a gap between the triangles.
5. Use your bunting to decorate Undiagnosed Children's Day event!

This bunting is a great way to add some fun, colourful decorations to your event whilst also raising awareness for SWAN UK.
